

Hello

Have you ever thought about praying or hoped that somebody would pray for you?

On 23-25 September 2016 churches are getting together to pray for their local community. Please let us know if we can pray for you, your family, friends or work. There is no prayer request too big or too small!

Church or individual return address

This space is for your prayer request.
Please return it to the indicated church or
the person who gave this card to you.
