

EASTER

2019

Maundy Thursday - Communion 8.00pm

We remember the Last Supper and Jesus washing his disciples' feet. The service begins in the round, before we move through the church and end with the stripping of the altar.

Good Friday - Quiet service 11.00am

This includes readings, hymns and periods of silence. We finish at 11.50am before joining with other churches for a Walk of Witness, ending at St. Anselm's. Alternatively, there is an All Age event at St. John's at 10.00am.

Easter Saturday - Tenebrae (Shadows) service 7.30pm

At this moving event, candles are gradually extinguished as the church changes from light to darkness. After a period of silence, we welcome the light of Christ and renew our baptism vows.

Easter Day – Services at 9.00am & 10.30am

Our first service is a traditional Communion. Our second service is a more informal Communion Celebration.
